## OFFICIAL RELEASE

**Dear Creators & Partners,**

We are excited to announce that Clout Chain will officially go live on **26th September 2025 at 12:00 PM IST.**

We sincerely apologize for the delay in our launch. The additional time has allowed us to introduce **monetization features for Instagram creators, alongside our existing support for YouTube creators.** This enhancement ensures a more robust and rewarding platform for all our content creators.

Thank you for your patience and continued support. The wait is for a greater cause—empowering creators across platforms to maximize their potential.

Regards,

**CLOUT CHAIN TEAM**
